

## Position: Economist (entry-level)

## Lisbon, Portugal

A2F Consulting is a boutique consulting firm and provides a broad range of advisory services to support international development in emerging markets. We work with international development institutions, multi- and bilateral organizations, foundations, as well as governments and corporate clients to support international development

We are looking for **Economists / Economic Data Analysts** with strong quantitative and analytical skills to join our growing Economic Analyses and Evaluation Division. Initially remote, we expect a hybrid position in the future (greater Lisbon area).

## **RESPONSIBILITIES & TASKS**

- Contribute to analytical research projects on behalf of public and private sector clients on a range of economic policy issues (e.g., market research, surveys, project and impact evaluations, etc.)
- Participate in and coordinate projects on and off-site under the supervision of the Team Leader
- Conduct research and extensive data analyses for concurrent projects
- Write, review and/or edit technical reports
- Support business development including preparing proposals for relevant tenders
- Willingness and ability to travel internationally (<10%)</li>

## **QUALIFICATIONS**

- Masters or PhD degree in Economics, Statistics, Finance or similar field from a reputable university
- Some relevant work experience would be a plus
- Ability to work under pressure and strict deadlines as team member
- Strong knowledge of statistics software such as R, STATA, SPSS
- · Excellent analytical and conceptual skills
- Intellectual curiosity and willingness to learn
- Team player with strong client relationship and interpersonal skills
- Fluent oral and written communication in English is required
- Working proficiency of an additional language would be a plus (French/Spanish/Portuguese)

Candidates must be legally eligible to work in Portugal. Please send your application letter with detailed CV, references, and salary expectations to recruit@a2f-c.com. Only shortlisted candidates will be contacted.
